Barista

Designed by Frederik Delbart

The soft seat combined with the strong wooden legs give your interior a playful effect with a Scandinavian touch.

L'assise douce et les pieds épais en bois donnent un côté ludique à ton intérieur, le tout avec une touche scandinave.

“Its soft arms and firm legs make Barista 100% kids proof. I was inspired by the everyday life of young families with a preference for bright colors and a strong form language.”

“Grâce à ses accoudoirs doux et pieds robustes, Barista est le canapé idéal, même pour les plus jeunes entre nous. Je me suis inspiré de la vie quotidienne des jeunes familles, avec une préférence pour les couleurs vives et les formes prononcées. ”

— **Frederik Delbart** designer

“Slow : un canapé-lit qui n’a rien d’un canapé-lit. Un salon d’angle douillet qui offre bien des solutions pour gagner de la place.”

— **Thomas Buekers** designer

Chianti

Designed by Ruben Deriemaeker

Challenging. Extraordinary. Unique.
On the outside securely tightened, but inside
a cocoon. Chianti was inspired by the ancient
Victorian corsets. A sofa with character, for a
distinct personality.

Un brin de provocation, exceptionnel et unique.
Des lignes acérées, avec pourtant une sensation
de douceur. Chianti s'inspire du corset victorien.
Un canapé de caractère, pour une personnalité
qui s'affirme.

“My design is an ode to female forms, based on the Victorian corset.”

“Ma création est un hommage aux formes féminines, inspirée par le corset victorien.”

— **Ruben Deriemaeker** designer
