BULB

BULB product sheet

BULB is a lighting line consisting of lamps in classic geometric shapes. The light bulbs are secured inside of the handblown milky glass pieces, which make them spread a gentle glow with a warm character. This creates a cozy atmosphere in any space you choose to illuminate with BULB. Beautiful as a single piece or combined in sets of your favorite shapes.

VERSIONS

Four shapes available in two different sizes. To be combined with any one of the five colours of cords available.

MATERIALS

Handblown glass with milky finishing. Fabric cord available in 5 different colors.
